Privacy Policy

I rutan E-postadress skriver ni in ert kononummer [hissj\\*\\*\\*@hissjo.net](mailto:hissj***@hissjo.net)

\*= dom siffror ni har i ert konto

Därefter skriver ni in ert nya lösenord och klickar på logga in.

Nu kommer ni in i er webmail

Om ni nu vill ändra ert lösenord kan ni göra detta enligt bilder nedan:

The screenshot shows the Roundcube webmail interface for the email address `hissjo@hissjo.net`. The left sidebar contains navigation options: Meddelande, Meddeland..., Kontakter, Kalender, Inställningar, and Webmail Home. The main area shows an empty inbox with the message "Listan är tom." and a search bar. A red arrow points from the text "Tryck på 'CP Webmail Home' för att ändra ditt lösenord" to the "Webmail Home" option in the sidebar.

Open your inbox

Set up email on your device

Select the device you will use:

Apple® (iPhone®, iPad®)

Enter an email address that you can access from your device:

Example: user@example.com

Select the configurations that you would like to set up:

- Email
- Calendar
- Contacts

Send

Automatically configure my device

Change your webmail client

- horde
- roundcube
- HALON

Manage Your Inbox

- Autoresponders**  
Are you going on vacation? Use this feature to configure your automated emails.
- Email Filters**  
Create and manage email filters for your main email account.
- Forwarders**  
Automatically send a copy of any incoming email from this email address to another.

Edit Your Settings

- Configure Calendar and Contacts Client**  
Set up your calendar and contacts.
- Password & Security**  
Update your webmail password.
- Contact Information**  
Set up a different email address to receive account notifications and password reset confirmations.
- Account Preferences**  
Change your Webmail account settings.

Tryck på "Password & Security"

Här fyller ni i nytt lösenord och upprepar detta för att sedan trycka på SAVE!

The screenshot shows the "Password & Security" settings page. It prompts the user to "Enter a new password for this account." There are two input fields: "New Password" and "Confirm New Password". Below these fields is a "Password Strength" indicator showing "Very Weak (0/100)" and a "Password Generator" button. A "Save" button is located at the bottom left. The footer includes the cPanel logo and version "100.0.5", and links for Home, Trademarks, Privacy Policy, and Documentation.

\*\*\* Password & Security

Enter a new password for this account.
